### Creative Writing and Expression

Whether it's the classics, or creations of your own, we invite you to a new and unique experience in our Poetry Cafe. First time poets and enthusiasts alike are encouraged to participate in several activities, including:

- Open Mic** (You can perform or recite your own poetry or personal favorites. Don't forget! You have the option to bring your own music or instruments.)
- Reading Fluency: Karaoke** (Sing along as we build Reading Fluency)
- Poetry Workshop: Frame Poem** (Gather your thoughts, and create your own poem...)
- A new twist on the Classics: Tone Change**  
(Let's get it twisted, by changing the tone of a classic poem, transforming it into something new.)

## Creative Arts Session

Fun things to make and do together

In Part II of our session, join us as we incorporate creative ideas, while enjoying gourmet hot chocolate! Together, we'll build marshmallow snowmen and build Gingerbread Houses.

**All seating is on a first-come, first-served basis.**

A reservation email will be sent to confirmed participants. This email will include the event date, time, and important details. Once registered, only ticketed participants will be allowed to attend the session.
